Elections of the body councils

The students of a faculty form a student body. In the elections of the student bodies of the faculties just the students of the corresponding student body, which are also member of the constituted student body, have a passive and active right to vote. There are 9 seats per body council of the faculty.

The term of office begins with the constituent meeting of the student council or student council and ends with the next. It lasts in general one year. The members of the body councils of the faculties vote their corresponding representatives of the student body for the body council of the university.

Electoral register

Only students, who are listed in the electoral register of the corresponding faculty, are allowed to vote and to be elected. The electoral register will be displayed for inspection **on weekdays from 30th of April to 4th of May 2021** in the office of the student body council of the university (Agricolastraße 10, 09599 Freiberg) **from 10:00 to 14:00 o'clock** respectively. Every student is called on inspection of the electoral register. Students, who belong to more than one constituency, have to declare until **4th of May 2021 14:00 o'clock**, in which constituency they want to execute their right to vote. Every student, who is not or wrong listed, can apply for correction. Every eligible voter can apply for the removal of a not eligible voter. Both applications have to be done in written form towards the election supervisor until **4th of May 2021 14:00 o'clock** (handed in at the student body council office).

Nominations

--- Announcement of the election supervisor of the student body ---

The members of the student body councils are elected under the principles of the election of persons. For this purpose election proposals to call candidates can be made. Only individual election proposals are permitted. These have to have arrived at the election supervisor until **12th of Mai 2021 14:00 o'clock**. The submission is possible via the student body council office. The official form has to be used for election proposals, which are available at the election supervisor on the homepage of the student body council of the TU Bergakademie Freiberg. Only election proposals, which have arrived within the period prescribed, can be considered for the election. Only students, who have accepted their election proposal, can be elected.

Postal vote

Every eligible voter can make use of the postal vote. The documents for the postal vote have to be requested from the election supervisor in written form and signed until **17th of May 2021 14:00 o'clock**. This is possible in the student body council office. The election letters have to have arrived at the election supervisor until **3rd of June 2021** in the time set for the vote (**until 16:00 o'clock**).

Official announcement

Official announcements under the order of the elections of the student body occur by notice in the student body council office and, at the discretion of the student body councils of the faculties, in the displays of the faculties as well as by note on the homepage of the student body councils for at least three weeks. This also concerns the list of the candidates and the election result.
