STUDENT GEOLOGICAL CONFERENCE

29. 5. 2024 Brno

THE DEPARTMENT OF GEOLOGICAL SCIENCES OF THE FACULTY OF SCIENCE, MASARYK UNIVERSITY ORGANIZES THE **STUDENT GEOLOGICAL CONFERENCE ON 29. 5. 2024**

We invite students of bachelor, masters and PhD geology programs from Czech, Slovak and other foreign universities to participate in the Student Geological Conference. The conference is a great opportunity to present the results of your research, including bachelor, master or dissertation theses or other professional activities. Use this opportunity for a presentation in the form of a lecture in front of an expert audience and come and share the results of your work with us. The conference is free for all students and lectures can be given in Czech, Slovak or English.

LECTURES

At the conference, you will present your research in the form of a lecture (10 minutes), which will be followed by a short discussion. The lectures will be held according to the schedule, which will be published a few days before the Conference. Individual contributions will be evaluated by an expert committee, with the best contributions being awarded.

ABSTRACTS

Abstracts are short summaries of the results of your research, including citations. The range of abstracts for SGK is one A4 page. The template for the Abstract proceedings is available at the conference website.
